

**May 11, 2007****NEWS RELEASE****GOLD CANYON TO UNDERTAKE
PRIVATE PLACEMENT FOR \$400,000 WITH MINERALFIELDS**

Gold Canyon Resources Inc. (GCU: TSX-V) (“Gold Canyon” or “the Company”) is pleased to announce that it has arranged through First Canadian Securities® a private placement of up to (Cdn)\$400,000 of flow-through share units at a subscription price of (Cdn)\$0.40 per unit by the MineralFields Group. Each unit will consist of one “flow-through” common share in the capital of the Company and one-half of one transferable common share purchase warrant, each whole warrant entitling the holder to acquire one additional non flow-through common share at a price of (Cdn)\$0.50 per share for twenty-four (24) months from the date of issuance. In connection with private placement, Gold Canyon has agreed to pay a cash finders’ fee to First Canadian Securities® of 8% of the proceeds raised from the MineralFields Group. Completion of this flow-through private placement is subject to the delivery of definitive subscription agreements and TSX Venture Exchange acceptance.

The anticipated proceeds of the flow-through offering will be used for eligible Canadian Exploration Expenses (“CEE”) as defined in subsection 66.1(6) of the *Income Tax Act* (Canada) on the Company’s Springpole Gold Project.

Any securities to be issued with will be subject to a hold period of four months from the closing date in accordance with the rules and policies of the TSX Venture Exchange and applicable Canadian securities laws.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States. The securities of the Company have not been registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

Certain statements contained in this news release using the terms "may", "expects to", "projects", "estimates", "plans", and other terms denoting future possibilities, are forward-looking statements in respect to various issues including upcoming events based upon current expectations which involve risks and uncertainties that could cause actual outcomes and results to differ materially. The future conduct of the Company's business and the feasibility of its mineral exploration properties are dependent upon a number of factors and there can be no assurance that the Company will be able to conduct its operations as contemplate and the accuracy of these statements cannot be guaranteed as they are subject to a variety of risks that are beyond our ability to predict or control and which may cause actual results to differ materially from the projections or estimates contained herein. The risks include, but are not limited to, the risks described in the above press release; those risks set out in the company's disclosure documents and its annual, quarterly and current reports; the fact that exploration activities seldom result in the discovery of a commercially viable mineral resource and are also significant amounts of capital to undertake and the other risks associated with start-up mineral exploration operations with insufficient liquidity, and no historical profitability. The Company disclaims any obligation to revise any forward looking statements as a result of information received after the fact or regarding future events.
