**NEWS RELEASE**

**GOLD CANYON OBTAINS AMENDMENT OF  
CORDERO PROPERTY AGREEMENTS**

**Gold Canyon Resources Inc. (GCU: TSX-V)** (“Gold Canyon” or “the Company”) is pleased to announce that its wholly-owned Nevada subsidiary, Gold Canyon Resources USA Inc., has entered into an amending agreement with Tech Industries Ltd. (“Tech”) with respect to the Cordero/Caley properties located in Humboldt County, Nevada. Pursuant to the amending agreement, Gold Canyon will be entitled, at any time prior to Gold Canyon USA or its nominee(s) commencing commercial production on the properties, to reduce the 3% net smelter return royalty currently provided under the terms of the original assignment agreement (with respect to the Cordero property) and lease agreement (with respect to the Caley property), concurrently, by up to 1.5% upon the payment by Gold Canyon USA or its nominee(s) to Tech of (U.S.)\$500,000 per 0.5% to be acquired.

Gold Canyon USA is obligated to pay a separate 1% net smelter return royalty payable to Cordero Mine Inc.

*Certain statements contained in this news release using the terms “may”, “expects to”, “projects”, “estimates”, “plans”, and other terms denoting future possibilities, are forward-looking statements in respect to various issues including upcoming events based upon current expectations which involve risks and uncertainties that could cause actual outcomes and results to differ materially. The future conduct of the Company’s business and the feasibility of its mineral exploration properties are dependent upon a number of factors and there can be no assurance that the Company will be able to conduct its operations as contemplate and the accuracy of these statements cannot be guaranteed as they are subject to a variety of risks that are beyond our ability to predict or control and which may cause actual results to differ materially from the projections or estimates contained herein. The risks include, but are not limited to, the risks described in the above press release; those risks set out in the company’s disclosure documents and its annual, quarterly and current reports; the fact that exploration activities seldom result in the discovery of a commercially viable mineral resource and are also significant amounts of capital to undertake and the other risks associated with start-up mineral exploration operations with insufficient liquidity, and no historical profitability. The Company disclaims any obligation to revise any forward looking statements as a result of information received after the fact or regarding future events.*
